Re: Payson Water Company - Application for Water Augmentation Surcharge,
Revisions to Curtailment Tariff
Docket Nos. W-03514A-10-0116 and W-03514A-10-0117

Dear Mr. Estrada:

In follow up to my letter dated August 13, 2010, I am enclosing a copy of the email sent to Chairman Mayes on August 11, 2010, from Ms. Irene Blose of the Mesa Del Caballo water committee. In her email, Ms. Blose requests that the above-referenced matter be postponed from the August 24 and 25 Open Meeting agenda due to the unavailability of the water committee members.

I hope this clarifies my August 13, 2010 letter. Should you have any questions, please do not hesitate to call at your earliest convenience.

Sincerely,

Patrick J. Black

Payson Water Co.'s Emergency Water Augmentation Surcharge and Changes to Curtailment Tariff

It is the understanding of the Water Committee that the Commission has scheduled the above referenced matter to be considered by Commissioners on August 24 and 25, 2010. Unfortunately, three of our four member committee will be on vacation and unavailable to attend, including our Committee's primary spokesperson. We feel it is of critical importance to the community of MdC and Payson Water Co. for most of our committee, in particular our spokesperson, to be available for an Open Meeting on this matter. We respectfully request that this matter be re-scheduled to the next available Open Meeting for proper consideration.
